

Help Files for EasiSlides v4.0

Welcome to EasiSlides! EasiSlides is a Song Lyrics Projection Software designed for projecting lyrics, with a video projector, onto a large screen to assist Christian Worship. Additional Features include:

- ✦ **Dual-Ligual Lyrics** - project lyrics in two different languages at the same time should you have such lyrics in your database.
- ✦ **Multimedia Support** - Play Audio File or Video Background, Live Feed from an attached Camcorder, Auto Rotate Lyrics in timing with audio/video file.
- ✦ **PraiseBook Generator** - Produce your own PraiseBooks, ready formatted and indexed, within seconds.
- ✦ **HTML Generator** - Produce all the necessary HTML files to publish the lyrics on your website.
- ✦ **Notations** - Store your own guitar chords with each song and generate your own Praisebook complete with those chords.
- ✦ **Three Monitors Output** - If your PC has three video outputs. EasiSlides can use the main output for the EasiSlides Main Window, the second output for the congregation and the third output will display lyrics/notations to the choir and musicians.

See [Main Window Layout](#) for a screen shot of the EasiSlides Main Window

If you are new to EasiSlides, a good starting point will be [Getting Started](#).
